## **World Cup classification.**

1. World Cup standing will be published together with rating publication and also after each World Cup event. Always the 4 best results are published from the previous 24 months (day of last round decides).  
*Example: WCup 1/3/2018 collects results from each tournament ended in the period: 1/3/2016 - 28/2/2018*
2. After the last event of every year, a World Cup winner will be announced using the standings data calculated up to January 1st of the following year

---

<sup>1</sup> The winner! Not “best in order”.

<sup>2</sup> Previous decision from April is not valid anymore.

3. If World Cup classification will be used for any event to choose players, the classification of a month prior to the date of the event opening will be used (example: Elite Events starts at December 7th - World Cup November 1st will be used). This date can be adjusted in special cases defined by FMJD partners/sponsors.
