Important GA decision

GA Tallinn, October 8th decides:

FMJD publishes norms and the federation has to ask for a title

In the publications of the FMJD rating list FMJD publishes norms achieved by the players. A request for attribution of a title should be sent to the FMJD Council by the candidate via his national federation or by the national federation.

Every request consists of the complete name of the candidate, address, birth date and sufficient information to decide about the request for the candidate. The request has to contain a list of norms achieved by the candidate on which results the request for the title is based. The requests for an international title is examined and approved by the Council of FMJD and for confirmation presented to the General Assembly of the FMJD. The request is only considered after the corresponding fee has been paid to FMJD.

9. Preliminary titles

Why titles are preliminary?

FMJD General Assembly in Tallinn (October 7th 2017) defined new procedure (see page 3).

Because it is a new procedure, we like to support You. We made a list of new titles. The list is long because of some GA decisions connected with this process.

All titles below need to be paid. Not paid titles will be removed after March 15th.
