Important GA decision

GA Tallinn, October 8th decides:

FMJD publishes norms and the federation has to ask for a title

In the publications of the FMJD rating list FMJD publishes norms achieved by the players. A request for attribution of a title should be sent to the FMJD Council by the candidate via his national federation or by the national federation.

Every request consists of the complete name of the candidate, address, birth date and sufficient information to decide about the request for the candidate. The request has to contain a list of norms achieved by the candidate on which results the request for the title is based. The requests for an international title is examined and approved by the Council of FMJD and for confirmation presented to the General Assembly of the FMJD. The request is only considered after the corresponding fee has been paid to FMJD.

Titles possible**Why titles possible, not just new titles?**

FMJD General Assembly in Tallinn (October 7th 2017) defined new procedure (see page 3).

Because it is a new procedure players/federations need to ask for the titles. Technical Comeetee like to support You. We made a list of players who meet the requirements for new title.
